Dear Sir or Madam

Prisma Energieanlagen und Umwelttechnik GmbH

Construction Industry Scheme registration

We have accepted your client's application to register in the Construction Industry Scheme. Their reference number is shown below.

Company Unique Taxpayer Reference (UTR): 19055 26005

We have granted the company 'gross payment'. This means contractors will make gross payments to the company, without taking off tax.

You should be aware that we will carry out regular checks to make sure the company is meeting all its tax obligations. These checks may also cover any relevant persons. If we find that the company or relevant persons have not met their tax obligations, we may withdraw the company's gross payment status. Where this happens, contractors will take off tax from all future payments they make to the company.

Yours faithfully

Miss S Massey
Officer
